ARE GOOD! ORACE'S STOMACH BITTERS, when years of experience and trial, have proven to he the best wamedy extant for all com-position where a tonic and whireheat are required. They server fail to atrengthen

VER 50,000 bottles were sold by one drag-boose in the piec year. It is ad-mitted by our most learned physicians that Dr. HOBACK'S STOMACH BIYlife combine the properties of a gentl taustive, an efficient suff-billions agent, and the heat stocaschic guown to the world. 200-ILUR'S HITZHIR should be used by con-cilements to strengthen the prestration which always follows acute disease. In the

HAOUS districts of the West and South there has, for a long time, been much useded an article of STOMACH BITTERS, which, if takes in proper quantities, and at the proper time, are a sure preventive of Dilious Fever, Faver and Agus, Liver Complaint, Dyspopale, Indigestion, Jean-dies, Effency Complaint, and all diseases of similar sature; and are better as pre-restive aw idlious derangement, regulating

ND strengthing the system, and giving tone to the digastive organs, thus any other hades remedy. Now that the war is over, there will be thousands seeking homes to the South. No person who values his life

OUNTIES of the West and South, and the valley of the Mississippi and in influ-tarios, should provide themselves with the BRITKES. There is probably so one dis-sens with which nanking are afficied which is the source of so many allosents as dyspepsia, or as it is more commonly called Sour Stomack, and there is no more vertain runedy than Bolisch's Stomach Bittees. They are never known to fall.

ING CHOLERA has always been much dreaded by the public, and people have resorted to all manner of medicines to areset the progress, but with little success. A sure cure and preventive is to be found to the see of Dr. ROBACK'S SCANDIN-AVIAN REMEDIES. Keep the bowels open with the Fills, and invigorate the system by free use of the Stomach Hitters, or, if the bleed is thin use the Purifier.

UCH as invaluable twincedy should be kept in every family. Keep the system in full right and nothing is to be feared from discase or cholors. THE OLD RELIABLE.—Do not be described by purchasing any of

of Hitters. Purchase none other but Dr. Stoback's STOMACH BITTERES, which are compounded of the purest drugs, and m which the afflicted can ruly. BETTER!

PRINCE, WALTON & CO. ommony to Dr. C. W. ROBACE.) SOLE PROPRIETORS. Noz. 56, 55, 60 and 69 East Third 61., CINCINNATI. OHIO.

avenced for the death of their compunavenged for the death of their companmack a BRO'S. ion. Then ensued the most frightful test for life. But the odds against him were too great, and after a sharp conflict vanquished enemy to piecemeal. Scarcely A Cough, A Cold, or a vestige of the animal remained behind. The terrier hied game, however, there were about half a bundred rats left upon the field, bleeding and mangled and as many more, more or less injured. A singular instance of the kindliness of dumb animals to their fellows was noticed at the cocclusion of the combat. A number of the combatants had been somewhat lacurated by the teeth of the dog. Their companions gathered in groups around them, licked the blood from their wounds, and then tenderly carried them in their teeth to their nests.

with me, please. The bodies of the slain were tenderly cared for. One by one they were car-CHES ARE USED WITH ALWAYS GOOD SUCCESS. ried away to a hole in the ice near by, SINGERS AND PUBLIC SPEAKERS

Where they were piled up. When all ly approaching them, with an unquestionably wicked and menacing snarl upon the bodies had been gathered together, the survivors grouped around them, and one of the number, mounting upon the pile of bodies, seemed to deliver a brief funeral oration over the remains of their menthroughout the country. Beingan article of true companions. The utmost stillm's reignerit, and having proved their efficacy by a test of many years, each year finds them in new localities in versally pronounced better than other articles.

The dearly in the dark, and leave it where they were piled up. When all ly approaching them, with an unquestionably wicked and menacing snarl upon his countenance! The dompteur grew as the room was occupied by a lady—the survivors grouped around them, and one of the number, mounting upon the pile of bodies, seemed to deliver a brief funeral oration over the remains of their menthroughout the country. Beingan article of true companions. The utmost stillm's reigned among the company during the advanced and proscribed by as lady—the survivors grouped around them, and one of the number, mounting upon the pile of bodies, seemed to deliver a brief funeral oration over the remains of their menthroughout the contry. Being mention of their efficacy by a test of many years, each year finds them in new localities in voice trembled. The doctor was not only ghastly pale, but was covered with a cold sweat.

"For God's sake, doctor, be quick!"

Whispered the morning to prevent scandal the room was occupied by a lady—the sum of the morning to prevent scandal the room was occupied by a lady—the sum of the country as the room was occupied by a lady—the sum of the country as the room was occupied to. About two o'clock in the morning to prevent scandal the room was not only she as the room where they were piled up. When all

"He is ugly to-day!" they soon sank from sight. In half an hour scarcely a vestige of conflict remained. The funeral service was the most extraordinary instance of the kind we have yet observed, and is well deserving of the study of naturalists. The fight as a whole would have delighted sporting men and dog fancies. It was highly interesting the study of the s highly interesting to the few who ob-

restorative applied.

WHITEWASH is one of the most valu-lady who has honored me by accepting adelphia Sunday Dispatch, gives the fol- able articles in the world when properly my offer. It took place-I mean the adelphia Sunday Dispatch, gives the for-lowing account of a dilemma a celebrated doctor was placed in recently: Dr. Lemoine is one of the most court- healthiness of all buildings, whether of how I feel, and what show may have to ly and affable of the physicians here whose talents have went them fortune and fame. A few days ago he was called upon by an athletic, ruddy personage, who certainly seemed in no individual and the supplied once a year with good coat of whitewash; which should be prepared in the follow. Take a clean water tight bar-land I possess is contained in half a dorneed of the distinguished doctor's ad- rel, or other suitable cask, and put into en flower-pots, and the timber which need of the distinguished doctor's advice; the latter, too, in kind effort to reassure his embarrassed visitor, addressed him with his usual politeness and condescension.

"Monsieur, I am the proprietor of a Monsieur, I am the proprietor of a feet of the saking has been effected discolar in the saking has been effected dis "Monsieur, I am the proprietor of a menagerie," said the square shouldered man, "and one of my children is sick—"

The Milwaukee Sentinel vouches for is the disease?"

"Monsieur, I am the proprietor of a menagerie," said the square shouldered feeted, dissolve it in water, and add two ounces of sulphate of zinc and one of mother the same evening that I had proposed, and I was to call hi the morning common salt. These will cause the wash to speak to my future mother in-law.

This I proposed to do on that delicious to harden, and prevent its cracking. "He ran a splinter into his thigh; it is very ugly, Monsieur, but rich enough to pay well."

"Very well, my man," replied the doctor, unable to suppress a smile at the simplicity of his visitor; "we will talk of the addition of lamp, vine or the suppress as some and the suppress as some at the simplicity of his visitor; "we will talk of the addition of lamp, vine or the suppress as some and the suppress as some at the suppress as some of that after awhile. Tell me exactly ivory black. For fawn color add four there is snow on the ground and your hat is the matter with your child."

pounds of umber-Turkish or American, candles lighted to dress by, will not hear comparison with those of the evening bein his thigh, and he will let no one touch common lamp black. For common stone fore. Araminta did not appear to my it; he is head-strong-for all he is very color add four pounds raw umber and imagination in as bright a form as sho gentle. It will be necessary, I know, to two pounds lamp-black. This wash may did before the happy words were spoken, perform a slight operation, but he is so violent and head-strong about it."

"Leave his violence to me. How old both in appearance and durability, to instant I did not wish that I was going by the next train to Jericho. But better feelings soon prevailed, and about one 1 walked out to Enton-square, I boldly knocked at the door, and in a second or DON PIATT, editor of the Mac-a-cheek two after heard what was evidently the Press-now showing over at Urbana, drawing-room bell ring, and I could easione of the Radical leaders of the Ohio ly fancy what was for. "If it is Mr.

tory symptoms of an early abandonment was shown into the little room called old."
But he is large for his age—"

"No, no, I will go with you to see your boy. It were folly to administer chloroform in such a case."

But. Monsieur, you do not know him ight now, that having once got rid of the swamps and caveras of Black Republicanism and the breaking for the publicanism and the breaking for the open field of the Democracy. We don't want Don. We serve notice on him, right now, that having once got rid of could not think what I was to say to Araion. Then ensued the most frightful scene immaginable. The rats awarmed around their adversary and fastened their claws and teeth in his flesh. The dog, enraged by the pain, fought bravely, killing scores of his enemies in his conathlete, Dr. Lemoine carried with him the required anæsthetic, and, after a But we will agree to this with Don which lasted about five minutes, he was forced to succumb. His body was literally devoured by the rats, they seeming to take a savage pleasure in tearing their which was half kitchen and half stable.

The required annesthetic, and, after a short course in a volture, arrived at the house of the beast tamer. Entering a room adjoining the exhibition arena, which was half kitchen and half stable.

But we will agree to this with Don, form, though we both felt that we did not know what we were talking about; and I remember distinctly telling her, as him to throw his javelins into the rotten. body of his own party-and he uses keen ter had fallen to a £6 rental, and would weapons-and aid him in the warfare to pay its own rates. After a very awkward pause she said that she had thought etter to see me here first, as I might want to speak to her alone. Somehow or another, I jerked out a few sentences to imply that I was delighted to talk to inn after a hard day's travel and being her, and that I wanted to marry Araminta. into lunch was rather awful. There was a cortain restraint about every one at first, as if all had stiff joints; and Araminta's three sisters, of ages from 17 to 22, appeared to be in a dilemma as to what mal's face. The latter recoiled, and in counties where a newspaper is publish- school, made themselves very disagreenmal's face. The latter recoiled, and in a moment after began to droop under the effects of the drug. This enabled a still further administration of it, till he was finally stretched powerless before them. The operation required was then them. The Constitution required the still further administration of it, till he was finally stretched powerless before them.
